# WELCOME

## Welcoming

Guests are welcomed in the lobby by the Ela Assistant team. A valet service is available.

Warm welcome drinks are offered during check-in.

Our guests arriving by car are offered water and wet wipes to put in their vehicles when they leave the hotel.

There are 4 charging stations for electric vehicles in the parking lot area within the fee facility.

Check-in procedures for our guests are carried out by the Ela Assistant team. Ela Assistant employees accompany our guests to their rooms and provide all information about the facilities and room usage. For the convenience and comfort of our guests during early check-in and late check-out, the Comfort Zone with showers, changing rooms and rest areas and the 24/7 Ela Anatolian restaurant in the lobby are available for service.

Ela Assistant employees request the mobile phone numbers of our guests according to their communication preferences so they can assist them at any time they may need to during their stay. They create groups for instant messaging using KVKK rules.

## Room Check-in Procedures

Check-in time is 14.00 at the earliest. In case of early arrival, guests are accommodated in the lobby until the room is ready. If there is a room available and ready, guests are assisted with early room allocation following the guest satisfaction desire.

## Check-Out / Room Exit Procedures

Check-out / room check-out time is noon at the latest to serve the next guests. In case of a late check-out / room check-out request, requests will be available and evaluated within a fee

## Valid Credit Cards

Mastercard, Amex, Visa, Eurocard

## Currency

Turkish Lira - ₺, Euro - €, US Dollar - \$, Pound Sterling - £ are accepted currencies for cash payments.

## Languages Spoken

Turkish, English, German, Russian

## Wireless Internet Access

Free wireless internet is available in all rooms and on the hotel grounds.

## Visitor Rules

During hospitality visits, tea, coffee, and water are provided to external visitors. All visitors should offer a valid passport or ID card at the entrance. For security reasons, visitors are not permitted to enter guest rooms. Hotel guests are fully responsible for their visitors at all times. Visits exceeding 30 minutes will incur a charge for daily hotel usage. Any consumption beyond the specified refreshments will be charged to the host guest as additional expenses. For groups of more than two visitors, prior information and approval from the relevant manager are required. Visitors arriving at the security checkpoint without prior notification from the host guest will not be admitted without the necessary information and approval. In such cases, the hotel management assumes no responsibility for related complaints.

## Pet Rules

Pets are not allowed in the rooms or public areas of the hotel.

## Age Limit for Stay

For individual hotel reservations and check-in, the guest should be over 18 and present a valid ID.

# ELA SERVICES FROM THE HEART

Experience the true warmth of Turkish hospitality with unparalleled luxury. Our dedicated team is passionate for delivering exceptional services that leave an everlasting impression on every guest. From the moment you arrive, we are here to make your stay extraordinary.

LET YOUR DISTINGUISHED HOLIDAY EXPERIENCE BEGIN.

## ELA ASSISTANT TEAM

Guests staying in all room types of Ela Excellence Resort Belek benefit from Ela Assistant services within their approval. Ela assistant is a privileged personal assistant service. The team, consisting of qualified employees with language skills appropriate to the nationality of our guests, takes care of all requests and needs of the guests starting from the check-in process until they leave the facility, within the framework of a one-to-one service approach.

The opening hours are from 08.00 to 24.00 daily. Exceptions can be made for special requirements.

Communication with guests is provided by smart technological communication devices (tablet, phone). CRM Line 1000 is activated 24 hours a day in case of possible requests of guests during 24.00-08.00 hours. The basis of elementary and uninterrupted personalized service continues.

OUR SERVICES THAT WILL MAKE YOUR VACATION EVERLASTING IN YOUR MEMORY.

# KING SUITE

Main Building | 375 m<sup>2</sup> | Duplex | 4 Adults + 1 Child or 5 Adults

The King Suite combines elegant design and functionality, offering guests an extraordinary accommodation experience. Located on the first floor, the spacious living room and dining room gain a luxurious touch through the parquet and marble floors. The suite offers guests the opportunity to cook comfortably in their homes with its fully equipped kitchen, luxurious seating sets, and dining area to create a stylish atmosphere. It also offers spacious areas for work or relaxation with a work desk and a large balcony. Modern features such as adjustable central air conditioning and satellite TV bring comfort to the highest level.

The bedrooms on the second floor have been carefully designed for guests to experience comfort and luxury together. The first bedroom, with its high-quality twin beds, spacious sofa set, and bathroom with bathtub, offers both elegance and comfort. With parquet and marble floors, this room offers a quiet retreat with an outside view from the balcony. In this room, privileged services such as a minibar, satellite TV, and bathrobes are also thought to offer a complete holiday experience.

The master bedroom offers the ultimate in luxury. With its walk-in closet, Josephine recliner, and Jacuzzi bath, this room offers guests moments of relaxation and pleasure. The jacuzzi and sunbath area on the terrace allow you to spend time relaxing in the charming atmosphere of the Mediterranean Sea. The private beach suite service on the beach makes your vacation even more special. At night, while watching the stars in the jacuzzi on the terrace, you will feel completely free, away from the noise of the city, with only the sound of soft waves coming from the sea.

## ELA ANATOLIAN

As soon as you enter the Ela Anatolian door, the richness of the gold color is balanced with the simple elegance of beige tones. This elegant simplicity invites you to a peaceful dining experience at tables overlooking a lush landscape. The dishes served are a feast of flavors that satisfy all tastes.

## AKARI TEPPANYAKI

*Far Eastern Cuisine*

At Akari, the Teppanyaki performances by skilled chefs transport you to the enchanting atmosphere of the Far East. Indulge in exotic delicacies such as sushi and sashimi in a delightful setting.

## GALATA

*Tavern*

Galata Tavern's rich menu consisting of traditional appetizers and fresh seafood will satisfy all tastes. Galata Tavern, which has a beautiful atmosphere, is a fun-filled night by the sea.

## LA SANTE

*Mediterranean Cuisine*

Cold, hot flavors, vegetables, and fruits come together with a wonderful touch with olive oil flavors suitable for the new trendy diet.

## LA PERLA

*Italian Cuisine*

Offering the most exquisite flavors of authentic Italian cuisine, La Perla offers a pleasant gastronomic experience with the dishes prepared by our chefs with fresh and high-quality ingredients. Enjoy traditional Italian dishes in our stylish and cozy atmosphere, accompanied by attentive service.

## LA SALSA

*Mexican Cuisine*

Are you ready for a culinary tour of Mexico? In the photos to be taken at La Salsa, people will think that you have been to Mexico.

## LA SOFA

*Turkish Cuisine*

You are invited to go on a delicious journey with its rich menu of Turkish cuisine with special flavors from the grill at La Sofa Lounge & Grill, which is a candidate to be one of your favorite dining places.

## LOBBY BAR

The Lobby Bar has been specially designed for our guests to enjoy the day inside the hotel. While enjoying the view on the terrace, you will relax with the soothing piano accompaniment and create unforgettable memories shared with your loved ones.

## OXFORD LOUNGE

The Oxford Lounge offers a colorful atmosphere with game stations such as billiards. The Oxford Lounge offers a comfortable environment for our guests arriving early and departing late, with private showers and comfortable armchairs for relaxation.

## ELAZEN BAR

Elazen Bar, located in Elazen Spa & Rituals Lounge, is a unique relaxation area for our guests who enjoy freshly squeezed fruit and vegetable juices and herbal teas after their massages and treatments at the spa center.

## NIGHT ZONE

Our nightclub, Night Zone, increases the rhythm of the night by combining music and dance with DJ performances that bring the heat of the southern beaches to your nights.

## PIER BAR

Stretching along the pier right on the sea, Pier Bar is a special place designed for you to witness the deep blue of the sea up close. The elegant details of the bar reveal the perfect combination of rustic wood structure and modern design. In the evening, as the golden tones of the sun hit the wood of the bar, you can enjoy this overwater paradise.

## POLARIS EVENT BAR

Polaris Event Bar, located next to our main pool, offers cold drinks all day, cocktails, and hot drinks for your enjoyment by the pool. We recommend you try our unique cocktails and relax in the lounge area designed for comfort.

## LA SOFA BAR

Enjoy your holiday in the colors of nature and relax at La Sofa Bar with refreshing cocktails prepared by our mixologists! The afternoon sunset live jazz sessions are not to be missed at La Sofa Bar.

## ANATOLIAN BAR

Ela Anatolian Bar invites you to discover the most special examples of world spirits and our rich wine collection. This unique venue, where you can enjoy quality drinks in an elegant setting, is the ideal meeting point to make unforgettable memories.

# BEVERAGE CONCEPT

# ELAZEN SPA & WELLNESS

Skin and body care, which has a history of 50 years and stands out with its special cosmetic products with "Respect and Love for Nature" in its principle and basis, is one of the SPA rituals you will prefer the most. To achieve an intense, instant, and permanent beauty, protocols and innovative formulas specific to each skin type are offered, which support the restoration of the natural rhythm of the skin, strengthen the skin barrier, rebuild its overall health, fight aging with valuable active ingredients, and give the skin a dense, fresh, youthful and tight appearance with the effect of recovering facial features.

Elazen SPA prefers environmentally friendly products in all cosmetics; It offers cosmetics produced with innovative and high-tech methods, based on cosmetic recipes that do not leave carbon traces, protect traditional harvesting and production processes, are manufactured with environmental sensitivity, and contain rich natural active ingredients obtained from medicinal natural stones, medicinal and aromatic plants.

## TRADITIONAL TURKISH BATH

The Turkish Hammam culture, which has existed since ancient. It aims to refresh the body and soul, revitalize the body, and experience the feeling of renewal. Healing water purification treatments, which are fed with the traditional Turkish bath culture that relieves your physical and mental fatigue and calms yourself, are one of the most favourite rituals. In the application, which takes place in the relaxing environment of the authentic hammam, our hammam ritual ends with the Water Salutation Ceremony on your skin prepared for purification with the gentle heat of steam and stone, followed by applying of a purifying scrub and the touch of silky foam.

## MASAJLAR

Extracts of medicinal plants, holistic natural aromas, and oil mixtures combine with healing massages and rituals to offer a unique harmonical experience. Various massage techniques blended with the ancient wisdom of the East and the West will bring you physical and spiritual peace, you will feel that your tiredness will disappear and enjoy a unique experience. In our carefully prepared massage collection, a rich range of massages is offered to your experience,

from Classical Swedish Massage developed by the Swedish Doctor Per Henrik Ling in 1812 to relaxing Mediterranean Aromatherapy, from authentic Far Eastern and holistic Indian Ayurvedic rituals to healing Remedial therapies. Through the touches applied to the whole body, your nervous system is stimulated, blood and lymph circulation is regulated, and you will be mentally relaxed, and free from toxins.

## AYURVEDIC HOLISTIC RITUALS

Ayurveda, which means "Science of Life" in Sanskrit, is a 5000-year-old natural healing system that has its origins in the Vedic culture of India and is a set of wisdom that helps human beings to stay balanced and fit in all aspects while realizing the upper limit of their human potential. It considers human beings as a whole with nature and their way of life and establishes its healing system. One of the most important cornerstones of the treatment system is Ayurvedic massage. Ayurvedic healing rituals consider the body and mind as a whole. In this massage application, the necessary life energy is transferred to the body systems for the body to repair, refresh, and renew itself, and the mind to calm and calm down. It clears all the negative energy accumulated in the body, relieves tension in the muscles, strengthens the body, prevents premature aging, and hinders wrinkles.

## HAIRDRESSING SALON CARE

Our salon offers exclusive brands along with the barber services, hair design, hair coloring, keratin treatments, hand and foot care, nail design, and trendy braiding and hairstyles for young people and children.

## IDEAL BODY CARE

Through the use of an ozone sauna, pressotherapy devices, algae treatments, and various massage techniques, we provide effective results in body shaping by reducing localized fat and cellulite.

## WELLNESS RELAXATION & JACUZZI POOL AREA

It is our quiet relaxation area reserved for our guests after spa care.

# IN PURSUIT OF EXCELLENCE

In addition to the perfect holiday experience we offer, we act through the mission of keeping environmental sustainability at its peak level. The certificates of excellence we have been earning as the fruit of our highest efforts reflect our corporate standards and environmental sensitivity. We are proud to bring our guests together with this privileged accommodation experience and to be crowned with these awards for our work.

## **Sustainable Tourism Certificate**

As a result of our conservation of natural and cultural resources and sustainable tourism practices, we have earned a 3-stage sustainability certificate.

## **Sustainable Green Energy Certificate**

Since the electricity used in our business is sourced from green energy, we have received the I REC certificate within the scope of Sustainable Green Energy.

## **Environmentally Friendly Accommodation Facility Certificate**

We were awarded the Environmentally Friendly Accommodation Facility Certificate by the Ministry of Culture and Tourism, particularly for our efforts in areas such as waste management, energy, and water conservation.

## **Travelife Certificate**

Within the scope of sustainability, we ensure continuity in energy saving and environmental topics.

## **Child-Friendly Tourism Certificate**

As a result of our efforts to ensure that our young guests can enjoy their holidays safely and happily, we have received the Child-Friendly Tourism Certificate.

## **ISO 14001:2015 Environmental Management System**

Due to our efforts to minimize environmental impact and promote sustainable tourism, we were awarded this certificate.

## **ISO 50001:2018 Energy Management System**

We were entitled to receive the certificate because we provide and implement all the processes required by the standard for energy savings.

## **ISO 22000:2018 Food Safety Management System**

With this certificate, which covers all food processing procedures from start to finish, we guarantee the safety and reliability of every meal and beverage we offer our guests.

## **ISO 9001:2015 Quality Management System**

As a result of our efforts to maintain the highest level of guest satisfaction, we have demonstrated our commitment to quality standards.

## **ISO 10002:2018 Customer Satisfaction Management System**

We were entitled to receive this certificate as a result of the work we have done in the way we set out to provide our guests with an unforgettable holiday experience.

## **ISO 45001:2018 Occupational Health and Safety Management System**

We have been recognized for our commitment to occupational health and safety with the ISO 45001:2018 certificate. As Ela Excellence, we are proud to share our service philosophy, which always aims for the best, with our valued guests. By embracing the principle of sustainability, we will continue to uphold our responsibility toward the environment at the highest level.

Ela Excellence Resort Belek may terminate or suspend A La Carte restaurants, similar services, and venues for certain periods due to insufficient guest demands, such as unsuitable weather conditions, or similar operational reasons. Ela Excellence Resort Belek has the right to make unilateral changes matching with the concept without informing the second and third persons/institutions.

# IMPORTANT INFORMATION

1. In all food and service offerings throughout the facility, officially certified first-class quality products and brands are used.
2. Guests allergic to any food should inform Ela Assistant employees about their situation upon their entrance to the facility. Otherwise, the hotel management is not responsible for any problems that may occur.
3. According to the laws of the Republic of Turkey dated 19.05.2008, smoking is prohibited in indoor places of public use.
4. Pets are not allowed in our facility.
5. Check-in time is 14:00 at the earliest and departure time is 12.00 at the latest. Even if the room is delivered on time, there may be an extra charge for my facility service usage after 12.00 due to the All-Inclusive Concept.
6. Dress codes may apply at some restaurants and bars.
7. Motorized watercraft cannot be used within the swimming limits.
8. All consumables, amenities, towels, mini bar contents, and cosmetic products served in the rooms are served within the scope of the all-inclusive package for daily use within the facility. It is not appropriate to take these materials out of the facility.
9. The hotel management reserves the right to make changes to the services and information contained in this guide indefinitely and unilaterally.
10. Hygiene and health measures and other life safety measures are meticulously implemented in terms of our guests and employees in our facility. Continuous controls are provided by the relevant ministry, relevant official institutions, and organizations.
11. All our guests and employees are obliged to comply with occupational health and safety measures.
12. The decision to be taken by the management when necessary for guests who disturb the peace in the facility, deviate the rules of morality, behave in a way that will risk the safety of other guests and employees, insult, swear, physical violence against the institution, guests and employees, steal, use drugs, risk their health and the environment as a result of excessive alcohol consumption, deliberately damage the hotel property and equipment, and deliberately create a fire risk Even if their stay continues, it is possible for them to be taken out of the facility. In this case, whether or not the remaining accommodation amounts are refunded depends unilaterally on the decision of the hotel management. The hotel reserves its rights against any damages that may arise in such cases against the person or persons who caused the relevant damage.
13. Tour operators and agencies accept and undertake that the latest updated versions of these concepts, which they are currently publishing, will be valid as an integral part of the contracts and, in addition to the scope of the signed contracts, upon receipt of the message, and that they will update this information simultaneously in their sales and marketing channels.
14. Air conditioning working hours are adjusted seasonally by the automation system according to outdoor weather conditions in order to provide maximum comfort.
15. Alcoholic beverages and tobacco products are not sold to guests under 18.

16. Alcohol is not served to our guests who have health risks and/or excessive alcohol consumption or other reasons related to alcohol consumption, or who have health and behavioral risks may be temporarily suspended within this scope. This situation cannot be explained as a complaint.
17. The hotel management reserves the right to unilaterally make changes in the hours, application methods, contents, weather, and similar reasons of all services and services included in the Fact Sheet.
18. The days in which restaurants and bars will be closed can be changed by the hotel management depending on the weather conditions and reservation requests.
19. It is not appropriate in terms of hygiene and safety to take food, beverages, and equipment from food and beverage units to outdoor areas.
20. Bath amenities (shampoo, shower gel, various materials) are given daily according to the number of people. Additional requests that may occur on the same day are subject to an extra fee.
21. An informative letter containing the general rules of the facility is additionally declared to all guests at the entrance in return for signature.
22. The mini bar is replenished 1 time per day. Additional requests that may come during the day are subject to a fee.
23. Room cleaning is carried out 1 time per day. Additional requests that may come during the day are subject to a fee.
24. Regarding the sunbeds that are occupied for a long time without being used, the hotel authorities may take the towels and similar personal belongings on the sunbeds into custody and make the sunbeds empty. In this case, the hotel management cannot be held responsible for the items that will be declared lost.
25. It is forbidden to fish and hunt by any method within the limits of swimming.
26. Dangerous passenger vehicles such as skates, scooters, skateboards, etc. cannot be used in the facility (lobby/closed areas).
27. Drones and similar vehicles cannot be used within the facility.
28. All kinds of food and beverage brands used in food and beverage services may not be offered with the declaring brands due to delays in customs, supply, deadline, and supply. At this stage, the facility can offer a product of close quality to service.
29. Tour operators and agencies agree that these concepts, which are currently published, will be valid within the scope of signed contracts and that they will update this information simultaneously in their sales and marketing channels.
30. Auxiliary equipment and equipment for the use of the facility by disabled guests, and residence, and reservation priority in the food and beverage areas are taken into consideration by the facility management and employees.
31. After 18.00 in the evening, external visitors are not accepted to the hotel.
32. You can access all our current fact sheets, images, logos and videos of Ela Excellence Resort Belek from the [media.elaresort.com](http://media.elaresort.com) link.
